Leanne R. Hehre

Leanne joined Merrill Lynch as a Financial Advisor in 2008. She is a graduate of Villanova University, College of Commerce and Finance. She has also obtained the NASD Series 7 and Series 66, as well as life and health insurance licenses. Leanne is part of a unique financial services team that assists select individuals, business executives, corporations, pension funds, and charitable organizations in growing and protecting their wealth. The team, including partners Jeanne Eisele and Mary Gilbert, practice "Total Asset Management" by determining a client's current financial situation, defining their specific goals and objectives and developing a disciplined strategy to help them achieve those goals. They sincerely believe that their relationships with their clients and their families are at the heart of their business process.

Leanne is an active member of her community, serving on the Somers Point Foundation for Education working to better the educational experience of students in the school district. She is also on the board of the Somers Point Historic Preservation Commission and is an active volunteer for the American Heart Association and American Red Cross. Leanne is engaged to be married to Robert Gray in the fall of 2010. She lives in Somers Point where she enjoys spending time with her family and friends.

The Eisele Gilbert Hehre Group maintains their offices in Egg Harbor Township, New Jersey. You can visit their website at www.fa.ml.com/EGHGROUP or call (877) 789-7857

Susan J. Babineau-Roberts

Having resided in Cheshire, Connecticut her entire life, Susan, one of nine children, chased her dream from Maine to Florida. Seven years ago, Susan discovered Cape May, NJ where she created a California Spanish Mission style B&B. As a teenager, Susan's career began as the secretary/bookkeeper for her parent's construction company. Susan immediately recognized her passion to create and operate her own business enterprise.

Susan's entire career involved the development of business relationships.

Throughout her career, Susan worked in various business environments including construction, scientific engineering, restauranting, banking, and social services.

Susan quickly recognized her aptitude for hospitality. This desire to bring happiness and joy to all those around her led Susan to create a one of a kind B&B in Cape May: The Mission Inn.

Susan is immersed in the fabric of the City of Cape May. She currently serves on the Board of Chamber of Commerce of Greater Cape May. Susan is active in The Cape May Mermaids Guild, Cape May Historic Accommodations, Mid-Atlantic Center for the Arts, Preferred Inns of New Jersey and is a member of Cape May County Chamber of Commerce. Susan and her husband and best friend, Raymond Roberts are blessed with two children and four grandchildren. Although the children reside out of state, any visits to Nona and Granddad at the shore are appreciated, as are holiday outings with many of their family members. Susan and Raymond enjoy innkeeping, living a block from the beach, bicycling, long walks, kayaking and experiencing the charm of Cape May Island. Susan values her close relationship with her family and friends.

Marie Monahan

Born and raised in Bennington, Vermont Marie has been a poster woman for reinvention. Fate has guided her as she continually readjusted her career path. A single parent raising three wonderful children, Marie simultaneously built her own corporation. Within this corporation were an international standard bred staking service, bookkeeping service, travel agency and jewelry design firm. Upon selling this company, Marie traveled to New York to accept a position as Chief of Staff for the president of the fourth largest financial services institution. Among other accomplishments in this position, Marie co-chaired one of the largest fund raising events for the USOC, netting \$652,000. Upon leaving, Marie joined a startup biotech company. Assisting in taking the company public, Marie was appointed Vice President of Corporate Operations. Then with a decision to leave the corporate world, Marie traveled to Toronto, Canada to study at the Stott Pilates International School.

Completing seven months of study with full certification in hand, Marie returned to Longport where she had previously resided in a summer home with her children. Now six years later, Marie's latest reinvention, The Pilates Studio, has blossomed into another wonderful success. Her private and group sessions have shown her constant appetite for something new, exciting and inspiring. The accomplishments of her clients are second only to the wonderful times she spends with her children and grandchildren.

The Pilates Studio is located in Suite 11 of the Troy Avenue Building, Ventnor Professional Campus, Ventnor City, NJ
