

## Help Support Strut For Mutts V

~ The Animals Need Your Help ~

**Arial:** Young Female American Staffordshire Terrier Mix. Where oh where did my owners go? And why oh why did they abandon me in a crate in the basement of their home, when they had to move out? I know I was a cute little pudgy puppy at one time, and they HAD to have me, but as I lost my cuteness (now I'm beautiful instead!) and they lost their house, I was sadly left behind locked in my crate. Despite all this, I am very sweet, and am now looking for my FOREVER home. I am only about 8 months to a year old. Adopt me, and I promise to be forever faithful!

exercise I settle down. I LOVE playing ball, and have a favorite ball that will come with me when someone adopts me into my forever home. Please, if you come to visit me, don't be intimidated. I REALLY do just LOVE people, and when I first come out to meet you, I can be a little over zealous with excitement! I have watched so many of my friends go on to their forever homes... I just wish someone would give me a chance, too.

**Mike & Ike:** Adult Domestic Short Hair Cats. Mike & Ike are brothers. They are beautiful boys and get along well with other cats. Mike is the friendliest, however, they are both a bit shy and need some Tender Loving Care. Though it's preferable, they don't need to go home together, if it means finally finding their homes. Please come meet them!

**Coco:** Young Female Pit Bull Terrier Mix. . If you love Coco, you'll love me! I am a very pretty 1 1/2 to 2-year-old pitt mix who just adores people and loves being with them. I know I'm only passing through here and that someday soon I'll have a loving family of my own, but in the meantime, its kinda lonely. Please don't get all caught up in the pit bull hype and ignore me. Just remember, Petey from The Little Rascals and Our Gang was a pit bull. And I am much prettier than he was, and just as smart, too!

**Theodora:** Adult, Female, Tuxedo Cat. **ARE YOU LOOKING FOR ME?** I'm Theodora. I am a really sweet 7-year-old tuxedo girl, looking for love and a forever home. I once lived in a home with a family of my own, and I really miss that. I would love to find a new home where I can sit in a window and pass the time away, watching the birds. Please, if you're looking for a kitty with a lot of love to share, come out to Beacon and don't forget to ask for Theodora.

### About Beacon Animal Rescue

Beacon Animal Rescue, a No-Kill Shelter and Adoption Center located in Upper Township, NJ, is a non-profit organization dedicated to rescuing domestic animals that are about to be euthanized in shelters, giving them the love and medical care they need, and finding their forever homes. The community's support is essential to the continuation of our work, as we do not receive any local, state or federal funding. We rely solely on donations and fundraisers to meet our expenses and sustain our mission.

### Other ways To Help . . .

The economy has forced families to surrender or abandon their animals, which puts a strain on shelters. We ask that you add Beacon to your 2010 donation list or consider adoption. Our animals are the innocent victims who are ready to offer you love!

Donations to Beacon Animal Rescue might be tax deductible and exclusively go to the care and feeding of our furry friends.
