

Scrumptious Pastries From Scratch – A Must Visit

There are many reasons to order pastries 'From Scratch' during March and April. Special occasions to celebrate may be Secretary's Day, Earth Day, Easter, St. Patrick's Day, birthdays, baby showers, anniversaries and office parties, just to name a few.

From Scratch will be celebrating their one year anniversary and Jennifer Jones imagination for wonderful pastries has only accelerated. For the upcoming months, she will be featuring pastry delights using coconut. While you are savoring these wonderful coconut desserts, remember that coconut is highly nutritious and rich in fiber, vitamins, and minerals! The creations for March and April are Coconut Custard Pie, Pineapple Coconut Cheesecake, Ham Pie, and Ricotta Rice Pie.

Her incredible gourmet cupcake line has extended to include Black Forest cupcakes, Humming Bird cupcake, and Boston Crème cupcakes. Although there are goodies to pick from in the shop, most of her treats are made to order. All the ingredients are fresh and that is the most important part contributing to the delicious flavors! In addition to the incredible selection of goodies, Jennifer also has a small retail section offering designer birthday hats, favors, cookie jars, cookie cookbooks and decorations for special occasions.
