New Classes And Local Artists Art Shows Scheduled For Our Spring Session

By **VICTORIA CLARK**
DIRECTOR, VENTNOR CITY
CULTURAL ART CENTER, INC.

◆ Two new classes are being offered this spring at the Ventnor Cultural Art Center.

Decorative painting and adult ballet barre and stretch have been added to the schedule.

◆ Decorative painting will take you through each step of refinishing a small piece of furniture. The class will teach you the techniques

of brush strokes and the correct materials to use.

◆ The adult ballet barre and stretch class will be offered for adults of all ages and levels. This class will concentrate on stretching muscles, finding and strengthening the core center and developing ballet technique and terminology.

Other classes running this spring include, watercolor painting, drawing, oil painting, acrylic painting, pastels, pottery and wax sculpture.

Along with the ballet barre and stretch class, we also offer tai chi, yoga, adult tap and ballroom dance in the dance studio.

◆ The art center is collaborating with The Carisbrooke Inn to bring "Evenings of Art", a monthly event that dedicates the evening to local artists. Work is on display at the Carisbrooke Inn and art lovers are welcome

to view and purchase the work whilst enjoying the atmosphere of the beautiful inn and meeting the artists.

◆ For information on our classes or the "Evenings of Art", please call the art
