

Happy 35th Anniversary To Leisure And Lace

BETTY VASSER (RIGHT), OWNER, LEISURE AND LACE AND PHYLLIS DORAN, 24 YEAR EMPLOYEE

If you're in the market for a bra or sexy lingerie, Leisure and Lace is the place for you.

Now entering their 35th year in business (That's a lot of bras through the years!) they understand the importance of a well-fitted bra. For more than just aesthetic reasons, a bra that fits right is also critical for maintaining good breast health.

With so many different bra-sizing methods in use these days, it's not surprising that as many as seven out of 10 women – particularly those with large breasts – have been reported to wear the wrong size bra. Remember, bras are not

supposed to be just dainty bits of material for show. For women with large breasts they serve a very real purpose. Besides bras you will find all the foundations you'll need for your holiday fashions. Whether that be—strapless, low back, no back or racer back styles—they've got it in stock! While there be sure and pick up a pair of Spanx, some hosiery or a camisole to complete your attire.

Although Leisure & Lace carries a vast array of larger size bras, they recently acquired the "one size fits most" Coobie Bra. This seamless bra fits nearly every body. It is a great starter bra that will grow with a teenager or a very comfortable bra for the mature woman who just wants to relax.

Whether you're a 32A or a 36D, this bra will fit and most of all be comfortable. Each bra comes with removable pads and will wash well on the delicate

cycle. The Coobie Bra comes in a variety of neutral and fun colors and at just \$16.00 it's a real deal!

With the holiday season quickly approaching, remember Leisure & Lace has great gifts for the women in your life.

Whether you're looking for comfy flannel pajamas or a sexy leopard print night-shirt with matching slippers, these items make the ideal gift for the gal who seems to "have everything." Who can resist a long cozy robe to complete the outfit? You will find a wide assortment of robes in many styles: long, short or zippered that are soft and perfect to wear over a pretty nightgown. While there don't forget to browse their awesome selection of bed jackets. Bed jackets are soft pleasures for lazing around the house or to wear for the afternoon cat nap. Although they can be worn over your pajamas they are versatile enough to be worn as casual daywear. The soft fleece and plush chenille fabrics are as comfortable on the inside as they are on the outside. Best of all they come in ultra fun colors like pink, eggshell blue, lavender, and deep red.

PJ Salvage Pajamas

The hottest item right now at Leisure & Lace is without a doubt PJ Salvage pajamas. These pajamas are all about lounge and comfort. Celebrities such as Britney Spears, Cameron Diaz

and even Oprah are known to own a pair or two. These fun flannels and cute thermals have also made an appearance on the small screen on shows like "The Bachelor" and "West Wing." Whether you are starting the day or ending it, doing so in PJ Salvage pajamas will keep you hip and stylish.

As you can see, a trip to Leisure & Lace is the perfect way to start your holiday shopping. Best of all, they offer complimentary gift-wrapping on all of their items as well as a 20% discount.

Before: A Bra That Does Not Fit Properly Is Unflattering and Uncomfortable.

After: A Visit To Leisure & Lace Assures A Proper Fit Every Time. See For Yourself!

Betty Vasser has owned Leisure and Lace for 35 years. She has been at the Linwood location for 15 years, prior locations were Margate and Caesars in Atlantic City. Phyllis Doran has worked with Betty for 24 years, and combined, they will provide you with 56 years of experience in the Lingerie industry.

Approximately 23 years ago, Betty noticed that the quality of lingerie changed dramatically, and she chose to offer European and Canadian imports because of their longer lasting quality and style.

Her products are from Italy, Germany, France, and Canada, to name a few. Customers quickly learn the distinction of these brands compared to other brands found in the malls. In short, try them for the best in quality and service. Like many of their many faithful customers, you will probably never go anywhere else for your lingerie.
