

# BUILD THE FUTURE

# AT A TIME

# ONE CHILD

You Can Help  
New Jersey's Kids  
Reach Their Full Potential.

**Every child needs a mentor** someone who listens, cares, and guides them toward a better future. Our nine New Jersey agencies provide adult mentors to kids who can use a positive role model in their life. You can help us make a difference in the lives of these children!

**Support.** Donate to the Big Brothers Big Sisters organization that serves your community. We are not State funded. We depend on you.

**Mentor.** Be a Big to one of our Littles. It's fun and rewarding, and takes as little as four hours a month. We'll match you with a child, and help you change that child's life today and transform his or her potential for tomorrow.

**Volunteer.** Help with office work, logistics, planning events for Bigs and Littles – whatever your talent, we'll put it to good use.

Big Brothers Big Sisters has a proven track record of keeping kids in school, off drugs, and out of trouble. Help us build a better future for deserving children – and for New Jersey!
